

1999 Phoenix 36'8" - Perfect Charter Boat for Sale!

SALE PRICE \$95,000 FIRM

This is a turnkey giant bluefin tuna killing machine with twin 370HP Cummins diesel engines. A 300-gallon diesel hold. 100% USCG approved every year. I have owned and chartered as Captain on this boat for almost 10 years and have made the following improvements, additions and upgrades:

2021 - Entire boat completely rewired	\$11,500
Port motor rebuild	\$13,500
Added solar power directly to main batteries - battery power all the time!	\$3,000
2020 - Starboard motor rebuild	\$13,500
Brand new Simrad platinum chip system	\$10,000
Brand new 8-man liferaft	\$3,800
2019 - Custom made table with tackle box built in Perfect for all your fishing gear!	\$3,000
(2) New Captain's chairs	\$4,800
2018 - New steering and cables	\$4,400
New Westerbeke generator installed	\$10,500
New isinglass and new cushions	\$6,500
2015 - Smart TV in cabin hooked up to depth recorder (for clients so they can see fish under the boat)	\$1,500
Added reinforced gunwales	\$1,000
Added (8) brand new custom made rod holders	\$1,600
2014 - Added 4 bunks forward for comfortable space for clients	\$10,000
Added 2nd livewell - great for holding herring, squid, macs, whiting, etc. - all bait fish	\$1,000
2013 - Purchased boat	\$89,000

EXTRA PARTS/GEAR/SUPPLIES ETC...The Subdivider is used to fishing 7 days/week, 30 days/month. Spare parts, hoses, clamps, etc. are there to limit any possibility of down time. DOWN TIME COSTS MONEY!!!

(3) sets of props valued at \$6,800 each set (that means no down time - very important for not missing charters - lead time 6-8 weeks getting props - avoid losing entire season of charters)	\$20,400
(6) survival suits - EPIRB - (10) life jackets - flare kit	\$4,000
Fuel injection pump	\$4,500

PLUS...

Several solenoids and (2) starters
(3) Alternators
Hoses and clamps
Inverters
Yeti cooler and ice box
Keurig coffee maker
Shower and toilet working - 80 gallon fresh water hold

**PURCHASED BOAT @ \$89,000 TOTAL UPGRADES/ADD ONS = \$128,500
